енергетике

Dana 18.04.2018. u hotelu Falkensteiner, Bulevar Mihajla Pupina 10 K, Novi Beograd u sali Tourmaline održava se

PANEL KONFERENCIJA

„Razvoj i uticaj mera na održivi rast biogas sektora u Srbiji“

u organizaciji srpskog Biogas udruženja, Ministarstva rudarstva i energetike Republike Srbije i srpsko-nemačkog razvojnog programa „Razvoj održivog tržišta bioenergije u Srbiji“

AGENDA

09:30-10:00 – Okupljanje učesnika i registracija

10:00-10:15 – Pozdravna reč ministra Aleksandra Antića, Ministarstvo rudarstva i energetike Republike Srbije

DEO I – Prezentacije, moderator Danko Vuković, predsednik upravnog odbora srpskog Biogas udruženja

10:15 - 10:45 – Predstavljanje rezultata razvoja tržišta biogasa i planovi nakon isteka trajanja aktuelnih podsticajnih mera u Srbiji – predstavnik Ministarstva rudarstva i energetike Republike Srbije

10:45-11:15 – Ciljevi udruženja i podrška razvoju branše - Udruženje Biogas, Srbija

11:15-11:45 – Uticaj promena zakonskog okvira na biogas branšu u Nemačkoj uključujući podršku razvoju koncepata korišćenja toplotne energije i malih biogas postrojenja – Dr. Stefan Rauh, Biogas udruženje Nemačka

11:45-12:15 – Tehnologije za prečišćavanje biogasa i sistem subvencija za korišćenje biometana u Nemačkoj, Alexey Mozgovoy, Biogas udruženje Nemačka

DEO II – Panel diskusija, moderator Milica Vukadinović, rukovodilac komponente Razvoj projekata na srpsko-nemačkom razvojnog programu „Razvoj održivog tržišta bioenergije u Srbiji“

12:15 – 13:00 – Panel diskusija „Buduće podsticajne mere za održiv razvoj biogas sektora u Srbiji“ (4-5 panelista: predstavnici Ministarstva rudarstva i energetike Republike Srbije, Ministarstva poljoprivrede, šumarstva i vodoprivrede Republike Srbije, Biogas udruženja, donatorskih agencija itd.)

13:00 - Ručak

Molimo Vas da svoje učešće potvrdite najkasnije do 12.04.2018. gospođi Dušici Brkić, putem telefona 069/ 55 20 432 ili e-maila dusica.brkic@biogas.org.rs

PANEL CONFERENCE

„Development of the biogas market in Serbia – Impact of incentives on sustainability“

organized by Biogas association Serbia, Ministry of mining and energy, and GIZ programme „Development of a sustainable bioenergy market in Serbia“

AGENDA

09:30-10:00 – Gathering and registration

10:00-10:15 – Introductory speech by Minister Aleksandar Antić, Ministry of mining and energy of Republic of Serbia

PART I – Presentations, moderator Danko Vuković, Chairman of the Board of Directors of Biogas association Serbia

10:15 - 10:45 – Results of the development of biogas market in Serbia and future perspectives and plans – representative of Ministry of mining and energy of Republic of Serbia

10:45-11:15 – Goals of the Biogas association Serbia and support to the development of biogas market in Serbia – representative of Biogas association Serbia

11:15-11:45 – Legal framework for development of biogas market in Germany (EEG) since year 2000 with focus of support to small biogas plants and concept of usage of produced heat energy – Dr. Stefan Rauh, Chief Operating Officer, German biogas association

11:45-12:15 – Technologies and support incentives for biogas upgrading and usage of bio-methane in Germany – Alexey Mozgovoy, representative of German biogas association

PART II – Panel discussion, moderator Milica Vukadinović, component leader GIZ programme „Development of a sustainable bioenergy market in Serbia“

12:15 – 13:00 – Panel discussion „Future incentive measures for a sustainable development of the biogas market in Serbia“ (4-5 panelists: representatives of Ministry of mining and energy, Ministry of agriculture, forestry and water management and Ministry of environmental protection of Republic of Serbia, Biogas association Germany and Serbia, donor agencies etc.)

13:00 – Lunch

Please confirm your attendance to Ms. Dušica Brkić via email dušica.brkic@biogas.org.rs or phone 069/ 55 20 432 latest by 12th of April 2018.
